

GROUP VOICE LESSONS

HOPE MUSICAL THEATRE

This will be taught in a similar fashion to NYU TISCH Ensemble Voice Training. Group vocal training is one of the best ways to use the examples of others to learn for yourself. Classes are 50 minutes long so come prepared to SING, SMILE and SPARKLE!

This is a supportive environment and we work as a team to help each other grow as artists.

*Taught by HMT vocally trained professionals.

*All levels welcome from beginner thru advanced! All will have fun and be challenged!

**Minimum sign-ups required for the class to run. Refund will be sent if minimum is not met.
